

Jambo.

3 Night Post Trip Extension at Bogani from \$2,195 pp USD

Join ME to WE and extend your Lion World trip with an unforgettable community experience in the northern Mara! Dive deeper into Kenya's vibrant culture and landscape on this sustainable, transformative excursion. Leave more than a footprint behind—leave a positive impact.

Flashes of red from Maasai shukas colour the savannah's plains as beaded jewellery decorating necks jingle softly with each step. Sounds of school children laughing echo across the sky, mixed with greetings of 'jambo!' Goats are heard bleating while grazing near traditional huts within bustling villages, animated by the day's work ahead. Find yourself immersed in the beauty of Kenya.

- Participate on a sustainable international development project
- Connect with community members by experiencing their daily lives in rural Kenya
- Explore nature as you walk through the African bush and experience the true savannah, led by your local Maasai guide

Day 1 Arrive at Bogani Cottages and Tented Camp

Settle into your new lodgings at Bogani Cottages and Tented Camp. The bespoke cottages and tents are a serene place to relax and reflect after an invigorating day of volunteering. Each accommodation is complete with hot and cold running water, flush toilets and comfortable beds, and is furnished with unique African fabrics and art.

Introduction and Orientation

Walk Bogani’s winding paths under yellow acacia groves, and get acquainted with the camp, learning some Swahili along the way. Enjoy lunch on the veranda overlooking the savannah.

Learn about our partner charity's sustainable development model –Free The Children’s WE Villages –and how we work with rural communities to break the cycle of poverty and achieve long-term community development goals. There are five pillars of impact that make up this model, and you will have the opportunity to see how they lead to scalable change within the communities:

- **EDUCATION:** Quality primary education
- **WATER:** Clean water and sanitation
- **HEALTH:** Hygiene and health care services
- **FOOD:** Agriculture and food security
- **OPPORTUNITY:** Alternative income projects

Visit a local Primary School

Experience a guided walking tour of a local primary school in Enelera community, and see the difference between an old school structure, and a new working school built by WE Villages.

Dinner

Enjoy your first dinner at Bogani Cottages and Tented Camp. Relax into the atmosphere of the Mara with engaging stories on our covered dining platform and a healthy meal featuring some Kenyan flavours, and Western favourites.

Day 2 Community Water Walk

Join the mamas at Emori Joi for a special walk through the community. Learn more about how the Kipsigis organize their homes and lives. Fetch water with the mamas, a task the women perform daily.

Lunch with the Mamas

Share a meal and participate in a discussion about changes taking place in the community regarding gender and culture.

School Building

Roll up your sleeves and work alongside Maasai and Kipsigi community members as you help to build a new school.

Day 3 Mulot Market

Visit an authentic Kenyan market and learn about the economic environment in which the community members live.

School-Building

Try your hand at new roles on the school-building site

Visit Baraka Medical Clinic and Medicinal Garden

The Medical Clinic serves over 30,000 community members, promoting healthy living and providing preventative, curative and rehabilitative services to the most vulnerable segments of the Kenyan population. These services enable individuals and communities to enhance their health. Next, learn about the medicinal plants grown in the *shamba* (garden), including moringa, aloe vera, thyme, spider plant, and many more. This *shamba* supplements the food program in local schools, as well as helps to decrease malnutrition in the communities by providing supplements to both pregnant mothers and their children.
